# **What is NAD?**

**NAD is a safe and secure online platform for the issuance, storage, access, and verification of academic records. It eliminates the need for physical documents and enhances efficiency and transparency in the education sector.**

- **To provide an online storehouse of all academic awards.**
- **To eliminate fraudulent practices in the education system.**
- **To make the process of verification of academic records easier and more efficient.**
- **To provide easy access and retrieval of academic award.**
- **To guarantee authenticity.**
- **To ensure safe storage of academic record.**

# **Objectives of NAD**

# Guidelines for Students

Comfortably Access Your Academic Awards  
ANYTIME! ANYWHERE!

## How to get your Awards

### Create your DigiLocker Account

Register using a mobile number or Aadhaar on DigiLocker ([digilocker.gov.in](https://digilocker.gov.in))

### Select Board/ University/Institution

Search for your Board/ University/ Institution in DigiLocker to get awards

### Enter requisite details

Fill in the details such as Roll no, Year of Passing, etc., and submit the details

### Pull academic awards

DigiLocker will search for your requested awards and they will be saved in your "Issued Document"

To obtain their degree or diploma certificates as well as their marksheets, students are encouraged to use DigiLocker. To access their documents on this platform, they will first need to sign up for a DigiLocker account.

**Go to DigiLocker:**  
**<https://www.digilocker.gov.in/>**

To confirm the presence of credits in their Academic Bank of Credits (ABC) account, students can register on the ABC portal and receive an ABC ID. This unique identifier can then be used to request academic institutions to send credits to the student's ABC account.

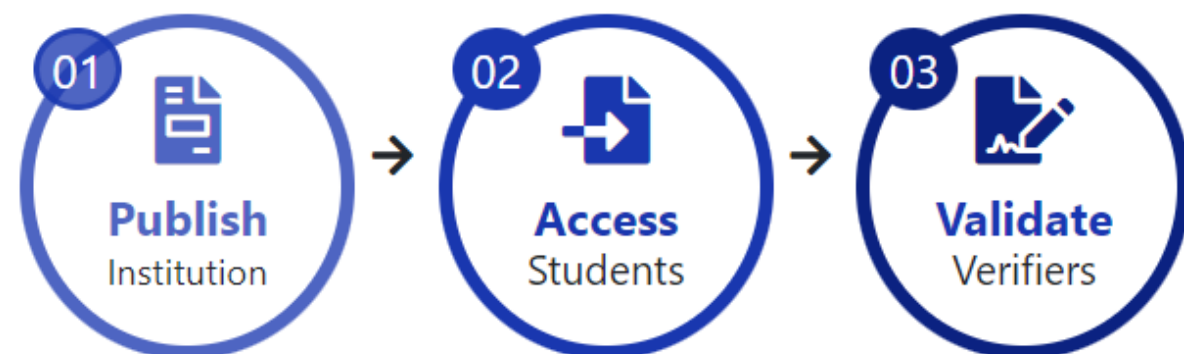

**Go to ABC Portal:**  
**<https://www.abc.gov.in/>**
